WORK

University of Michigan Medical School

July 2019 – Present

Health Informatics Designer, Dept of Family Medicine Ann Arbor, MI

Develop accessible web and print communications content—including web graphics, video, blog or press releases—within the realm of academia and the health sciences with strategic goals and input from a variety of stakeholders. Basic web editing in a centrally-managed content management system—Drupal 7 and WordPress. Pull and interpret social media and scholarly communications metric data.

University of Michigan

Dec 2018 – April 2019

UX Researcher, Prof. Gabriela Marcu

Ann Arbor, MI

Research on the feasibility of a smartwatch intervention on age 8-10 students who are suffering from anger management issues in school environments. Plan to further validate the study of an intervention that could potentially keep track of students' behaviors and encourage self-management skills.

Day2Life Inc.

May 2018 – July 2018

UI/UX Designer

PanGyo, South Korea

Designed prototypes and wireframes of the landing websites using HTML/CSS and JavaScript. Created dashboards and statistics using MVC structure from MySQL database for the clients through Spring Boot and Eclipse. Localized web and mobile applications by translating features using OneSkyApp.

University of Michigan

Oct 2017 – April 2018

Research Assistant, Prof. Douglas Van Howeling

Ann Arbor, MI

Constructed biography and cross-references for each interview regarding the Internet development history project funded by the National Science Foundation. Assembled and reviewed data regarding the accomplishments of the interviewees.

Seoul National University

May 2016 – Aug 2016

Research Assistant, Prof. Joong Ho Won

Seoul, South Korea

Analyzed airplane data from 1986 to 2008 to learn about the frequency of travel delays. Designed a project based on the data for a course semester project.

EDUCATION

University of Michigan

2015 – 2019

BS in Information

Minor in Applied Statistics

LEADERSHIP

Student Organization for Data Analytics

2017 – 2019

Vice President

Spoon University

2017 – 2019

Video Director
